

End Time Revival...

"The light shines in the darkness, and the darkness has not overcome it." John 1:5

Darkness must prevail for REVIVAL to come. There has to be a need to "Re-Vive"... bring spiritual life back to a people. Central Australia is ripe for REVIVAL. Over the past months, there has been a huge spike in violence and crime in Alice Springs. Fueled by alcohol abuse and troubled children running loose on the streets, things seemed to reach a breaking point about a month ago. Stats showed violent assault up 51%, domestic violence up 65%, property damage up 55%, etc. *The cry of the people went out calling for the government to intervene...even the*

Pray for Revival in the YOUTH of Alice

mayor of Alice calling for the military to step in and restore law and order.

THE PEOPLE OF GOD ARE FALLING ON OUR FACES.. CRYING OUT FOR REVIVAL. In the midst of chaos and darkness, the fragrance of revival is in the air. Prophetic words have been spoken for generations... revealing that Australia will see a great outpouring of the Holy Spirit... starting in the "center." This nation will Impact the world before the coming of the Lord. We know we are in the right place at the right time. **PRAY with us for strategic, Holy Spirit wisdom to reach this rich HARVEST and see the power of God manifested in this region.**

Healing STREAMS...

Healing flows in the Desert

"Jesus is the same yesterday, today and forever..." Hebrews 13:8

Over the past years, HTM has witnessed dozens of healing miracles in this desert land. Rachel was one of the very first individuals who connected with Gerald & Kathy on their arrival in Australia. Attending Bible studies, church meetings, prayer...the Word of God was planted in Rachel's heart. Last year Rachel began to have trouble breathing and hoarseness. She was mis-diagnosed for months as having "asthma." In September finally an Xray was taken which showed a large tumor between her esophagus and trachea. She was flown to Adelaide (1,200 miles) for care. While in the hospital there, she passed out, as the tumor was blocking her airway. Diagnosed with cancer involving the esophagus, larynx, trachea and lymph nodes throughout her chest, surgery was not an option. She was in ICU for 2 weeks and spent many weeks in hospital being fed by a feeding tube and undergoing radiation treatment.

Flown back to Alice, Rachel was put on palliative (HOSPICE) care. Meanwhile... Pastors Gerald and Kathy anointed Rachel and prayed the prayer of faith for her healing. She received a few chemo treatments to slow the progress of the cancer, but the chemo caused significant damage to her nerves. Gerald & Kathy continued to pray and encourage Rachel to stand on God's Word. Three weeks ago, new scans were taken of Rachel's neck and chest. The Doctors stood amazed as they compared the scans before them. There was NO EVIDENCE OF CANCER... NO CANCER in the lymph nodes... a bare trace of seeing where a tumor had been irradiated. The Lord has also healed Rachel of all the damage to her nerves caused by the chemo. **Rachel and all of us give glory to Jesus for this miraculous healing.**
